Reviews

Restaurant-Name : Parivaar Restaurant.

Review - excellent.

Experience - completely satisfied.

Rating - 5.

A user can fill the form in left figure , to give a particular restaurant his/her rating.
Any user can see all the reviews and ratings of a particular restaurant by clicking view reviews/ratings in the profile page of a restaurant , profile page also has the link to give review to a restaurant

"The first wealth is health."

"Our food should be our medicine and our medicine should be our food."

"Life is a tragedy of nutrition."

"Diet is the essential key to all successful healing."

"Exercise is king, nutrition is Queen, put them together and you've got a kingdom."

"To eat is a necessity, but to eat intelligently is an art."

"Life is not living, but living in health"

"Man is What He Eats."

"Tell me what you eat, and I will tell you what you are."

"Eating healthy nutritious food is the simple and the right solution to get rid of excess body weight."

Although ordering a food from restaurant , or eating in a restaurant saves a lot of time , we should equally be careful about the nutrition values of a dish and one must maintain proper balanced diet. This is the homepage of nutrition

Diet Plan - Complete Diet Plan Suitable for you.(Day/week).

Get Diet Plan

Nutrition Value - Know about Nutrition Values in a food item.

Obtain Nutrition Value

Dish - Search Your Favorite Dishes by Ingredients.

Dishes By Ingredients.

Dish - Search Your Favorite Dishes by Nutrition Value.

Dishes By Nutrition Values.

Q&A - Ask a Question related to Nutrition.

Ask Question

This is the continuation of homepage of nutrition . This has links to all type of queries including , diet plan, nutrition value of dish , search dishes by ingredients , etc

If we click on get diet plan, a page looking like the left image will be rendered , if we enter some values in the form , response like the right image will be returned

Search Dishes By Ingredients

Ingredients

Egg

Find Dishes

Hard-Boiled Eggs

3-Ingredient Flourless Chocolate Cake

We can search dishes by entering ingredients ,
For example , we want to know dishes which have egg as an ingredient, the response
(right image) is returned
